School of Nurse Anesthesia

Shadow Verification Form

Dear Anesthesia Colleague,

As part of the admission process for Texas Christian University's School of Nurse Anesthesia, applicants must participate in an anesthesia shadow experience. The intent of this experience is for applicants to gain an understanding of what "day in the life" of an anesthesia provider is like. During this day, the applicant will gain insight into the many positive aspects of the nurse anesthesia profession, as well as potential challenges.

Please complete the information below and return this form to the applicant, who is responsible for submitting it with their application materials.

Thank you for taking the time to share our profession with a potential nurse anesthesia resident.

Sincerely,

The Admissions Committee
