

TEXAS CHRISTIAN UNIVERSITY  
HARRIS COLLEGE OF NURSING & HEALTH SCIENCES

VITAE  
2016

1. Name  
Kathy (Wright/Bean) Baker, PhD, RN, ACNS-BC, FAAN
2. Place of Birth and Date  
Shreveport, Louisiana; October 1
3. Educational Background  
PhD. (2003). University of Texas at Austin, Austin, TX  
MS in Nursing. (1988). Texas Woman's University, Dallas, TX  
BSN. (1981). Baylor University, Waco, TX
4. Formal Continuing Education Associated with Professional Development  
  
Joanna Briggs Institute. Training in systematic review methodology. June 22-26, 2008; Indiana Center for Evidence-Based Practice.  
Joanna Briggs Institute. Trainer certification for comprehensive systematic review training program. (Originally credentialed August 11-14, 2009. Texas Christian University Center for Evidence Based Practice and Research. A Collaborating Center of the Joann Briggs Institute. Renewed 2011, 2013, 2015.
5. Professional Certifications  
TCU eFaculty Certification. Spring, 2012.  
Advanced Practice Nurse (Adult CNS). Board of Nurse Examiners for the State of Texas. Expiration date, 2017.  
Adult Clinical Nurse Specialist (ACNS- BC). Board of Certification for Medical-Surgical Nursing Practice. Expiration date, 2017.  
Certified Gastroenterology Registered Nurse (CGRN). Certifying Board of Gastroenterology Nurses & Associates. Expiration date, 2012.  
Critical Care Certified Registered Nurse (CCRN). AACN Certification Corporation. Expiration date, 1989.
6. Present Rank  
2011, Associate Professor with Tenure
7. Year of Appointment to the University and Rank  
2007, Associate Professor
8. Year of Last Promotion  
N/A

9. Previous Teaching and/or Research Appointments, Other than at TCU Teaching/Research Appointments
- Part-Time:  
Nurse Researcher/Clinical Nurse Specialist Consultant. (2007-2011). Texas Health Arlington, Arlington, TX. 8-12 hours/week.
  - Full-Time:  
Nurse Researcher. (2006-2007). Presbyterian Hospital of Dallas, Dallas, TX.  
Assistant Professor. (2003-2006). University of Texas at Arlington, Arlington, TX.  
Clinical Lecturer. (2001-2003).  
Specialist. (1990-2001).

10. Previous Professional Positions (other than those listed in #9)

G.I. Lab Staff Nurse/Consultant (RN II). (1996-2003). Parkland Health & Hospital System, Dallas, TX.  
Advanced Practice Nurse (GI Clinical Nurse Specialist). (1995). Gastroenterology Associates, Fort Worth, TX.  
Nurse Coordinator/Clinical Nurse Specialist. (1991-1992). Gastroenterology Consultants/ Parkland Memorial Hospital/UT Southwestern Medical Center, Dallas, TX.  
Nurse Coordinator, Gastroenterology Lab. (1987-1991). Parkland Memorial Hospital, Dallas, TX.  
Head Nurse, Maternal/Child (high risk ante partum, well baby, well mother). (1986-1987). St. Paul Medical Center, Dallas, TX.  
Clinical Director, Evenings. (1985-1986). St. Paul Medical Center, Dallas, TX.  
Clinical Coordinator, Medical Intensive Care Unit. (1983-1985). St. Paul Medical Center, Dallas, TX.  
Staff Nurse, Surgical Intensive Care Unit. (1981-1983). St. Paul, Medical Center, Dallas, TX.

11. Courses Taught.

| Course # and Title                 | Number of students | Comments   |
|------------------------------------|--------------------|--|
| <b>Fall 2016</b>                   |                    |  |
| NURS 40003: Senior Honors Project  | 1                  |  |
| NDNP 81243: Translational Research | 14                 | Exclusively online                                   |
| NDNP 82282: Advanced Practicum II  | 3                  | Exclusively online                                   |
| NDNP 82283: Advanced Practicum 2   | 1                  | Exclusively online                                   |
| NDNP 88082: Advanced Project       | 3                  | Exclusively online                                   |

12. External Support Sought (include source and amount requested and/or received)

a. Received

- 2016 U.S. Department of Health and Human Services. Nurse Faculty Loan Program. \$660,520.
- 2015 U.S. Department of Health and Human Services. Nurse Faculty Loan Program. \$464,332.
- 2014 Foundation of the National Student Nurses Association (FNSNA) and Texas Team. *A community based public health externship*. \$33,600. With co-investigators Thomas, J., Lockwood, S., Schroeder, R., & White, G.
- 2014 Beta Alpha Chapter, Sigma Theta Tau International. 2014 Beta Alpha Chapter Research Award. *An Exploratory Study of Head and Neck Cancer Quality of Life in Survivorship*. \$1500. With co-investigators Lockwood, S., & Bashore, L.
- 2014 U.S. Department of Health and Human Services. Nurse Faculty Loan Program. \$211,452.
- 2013 U.S. Department of Health and Human Services. Nurse Faculty Loan Program. \$58,815
- 2012 U.S. Department of Health and Human Services. Nurse Faculty Loan Program. \$216,696

- 2011 U.S. Department of Health and Human Services. Nurse Faculty Loan Program. \$285,870
- 2011 US Department of Health and Human Services. Advanced Education Nurse Traineeship. \$70,274
- 2009 *A controlled study comparing acceptance of the current SCD™ compression sleeve to a newly designed SCD™ compression sleeve in hospitalized patients* (co-investigator) (\$18,000). Covidien. With Conway, D., Rodriguez, L., & Muska, S.
- 2007 *An Exploratory Study of Pancreatic Cancer Survivorship* (primary investigator) (\$500). Sigma Theta Tau, Delta Theta chapter. With Linda Vozzella, RN (Presbyterian Hospital of Dallas), May Dean, RN, CGRN, Gwen Way, RN, and Jackie Villa, RN (UTA graduate students).
- 2005 *Hispanic Perceptions of Organ Donation* (primary investigator). (\$1,000). UTA School of Nursing Center for Hispanic Studies in Nursing & Health.
- 2005 *An Exploratory Pilot Study of Illness Distress in Liver Transplant Recipients* (primary investigator) (\$1000). Sigma Theta Tau, Delta Theta.
- 2004 *Optimism, pessimism, and quality of life in liver transplant recipients* (primary investigator) (\$9,850). UTA Research Enhancement Program.
- 2004 *Development of the Society of Gastroenterology Nurses and Associates (SGNA) Minimum Data Set* (primary investigator). \$40,000. Pentax Corporation.
- 2003 *Spiritual attitudes and practices of practicing nurses in Texas* (co-investigator) (\$3,750). With co-investigators L. Garner, J. Gray, & D. Snow. Baylor University Research Committee.
- 2002 *Quality of life in liver transplant recipients* (primary investigator) (\$2000). International Transplant Nurses Society.
- 2001 *Quality of life and self-transcendence in liver transplant recipients* (primary investigator) (\$1000). Delta Theta chapter, Sigma Theta Tau International.
- 2002 *Quality of life and self-transcendence in liver transplant recipients* (primary investigator) (\$4000). Society of Gastroenterology Nurses and Associates.
- 2001 *A descriptive comparative study of bowel preparation and patient outcomes for flexible sigmoidoscopy* (primary investigator) (\$2000). C.B. Fleets, Inc. With co-investigators Cheryl Horton, RN & Cathy Taylor.
- 1999 *Quality of life with photodynamic therapy vs. conservative treatment* (primary investigator) (\$10,000). Oncology Nursing Foundation. With co-investigators J. Steven Burdick, MD; Janet Miller, RN; & Bergein Overholt, MD.
- 1999 *A descriptive comparative study of bowel preparation and patient outcomes for flexible sigmoidoscopy* (primary investigator) (\$3,349). Society of Gastroenterology Nurses and Associates. With co-investigators Karon Lankford, BSN, RN; & Cheryl Horton, RN.
- 1999 *Quality of life in the liver transplant patient: An exploratory study* (primary investigator). (\$500). Delta Theta Chapter, Sigma Theta Tau.
- 1996 *A comparison of the effectiveness of tap water and soap suds enema in the preoperative preparation of liver transplant patients* (co-investigator) (\$3,000). Society of Gastroenterology Nurses and Associates. With Marilee Schmelzer, PhD, RN; Susan Chappell, MSN, RN, CDE; & Pattie Case, RN.
- 1995 *Spiritual perspective, needs, and care: A descriptive pilot study with nursing*

- students*. UTA School of Nursing Research Enhancement Award (primary investigator) (\$500). With Linda Garner, PhD, RN; Diane Snow, PhD, RN; & Jennifer Gray, MSN, RN.
- 1994 *Spiritual perspective, needs, and care: A descriptive pilot study of nursing faculty*. UTA School of Nursing Research Enhancement Award (co-investigator) (\$720). With Linda Garner, PhD, RN; Diane Snow, PhD, RN; & Jennifer Gray, MSN, RN.
- 1994 *Content validity of an instrument to measure spiritual care of nurses*. Sigma Theta Tau, Baylor University (co-investigator) (\$200). With Linda Garner, PhD, RN; Diane Snow, PhD, RN; & Jennifer Gray, MSN, RN.
- 1993 *An exploratory study of experienced nurses' enema technique*. Society of Gastroenterology Nurses and Associates (co-investigator) (\$4,395). With co-investigator Marilee Schmelzer, PhD, RN.

b. Not Received

- 2016 U.S. Department of Health and Human Services. Nurse Education, Practice, Quality and Retention-Bachelors of Science in Nursing Practicums in Community Settings Program. Community Internship Immersion Collaborative (CIVIC) Program. \$809,496 requested (ranked but not funded). With co-investigators S. Lockwood, A. Stallings, G. White, & F. Mack.
- 2015 U.S. Department of Health and Human Services. Advanced Nursing Education Program. (\$2,060,544 requested – not funded). With Franklin, A. (co-investigator).
- 2011 *The effect of fatigue on missed care in the gastrointestinal endoscopy setting (pilot study)*. Southern Nursing Research Society. Co-investigator Dr. Glenda Daniels. (\$2500 requested – not funded)
- 2011 *Development of an evidence-based collaborative care framework utilizing the Clinical Nurse Leader and Clinical Nurse Specialist roles*. American Organization of Nurse Executives (\$7938).
- 2006 *A Replication and Extension Study of the Impact of Hourly Rounding and Nursing/Patient Safety and Satisfaction* (\$299,637) (1 of 35/118 invited to submit full proposal). Robert Wood Johnson Foundation Interdisciplinary Nursing Quality Research Initiative.
- 2005 *Increasing Organ Donation in the Rural Setting* (\$807,344 – not funded). U.S. Department of Health and Human Services (DHHS), Health Resources and Services Administration (HRSA), Department of Transplantation (DoT).
- 2004 *Increasing Organ Donation in the Rural Setting* (\$449,512 – Ranked, but not funded). U.S. Department of Health and Human Services (DHHS), Health Resources and Services Administration (HRSA), Department of Transplantation (DoT).

13. Internal Grants Sought and Disposition of Request (e.g., TCU/RF, Faculty Development)

a. Received

- 2012 HCNHS Faculty Development Program for International Studies Grant. *Exploring Opportunities for Collaboration in Swaziland*. With co-investigator Dr. Kenneth Lowrance. (\$5000)
- 2011 HCNHS Faculty Development Program for International Studies Grant. Exploring opportunities for Students & faculty with the World Health Organization. With co-investigator Dr. David Jenkins. (\$5000)
- 2010 HCNHS Faculty Development Program for International Studies Grant. (Funded). *Exploring Healthcare Delivery in Kenya*. (\$5000).
- 2008 RCAF Grant. (Funded). *An Exploratory Investigation of Nurses' Knowledge and Practices Related to the Use of Graduated Compression Stockings*. (\$4,000).
- 2008 Instructional Development Grant. (Funded). *Inaugural TCU Study Abroad Trip to Australia for Doctor of Nursing Practice Students*. (\$2,000).

b. Not Received

- 2009 Instructional Development Grant. (Not funded). *Enhancing Informatics and Technology in Nursing Education*. (\$3,518).
- 2008 TCU Strategic Initiative Fund. (\$249,200). *Program proposal for a Center for Professional Renewal*.

14. Graduate Dissertations, Theses, Projects, and Undergraduate Honors Projects Directed and Committees Served On

While at TCU:

Doctoral Student Projects Directed (TCU)

- Annie Abraham, Doctor of Nursing practice capstone project, *Development of International Council of Nurses Position Statement: The Care and Treatment of Individuals with Developmental/Intellectual Disabilities*, anticipated graduation date May 2017.
- Jennifer Braziel, Doctor of Nursing practice capstone project, *Revision of International Council of Nurses Position Statements: Towards Elimination of Weapons of War and Conflict and Prevention of Disability and the Care of People with Disabilities*, anticipated graduation date May 2017.
- Shieta March, Doctor of Nursing practice capstone project, *Revision of International Council of Nurses Position Statements: Nurses and Human Rights and Nurses' Role in the Care of Detainees and Prisoners*, anticipated graduation date May 2017.
- Vicki Good, Doctor of Nursing practice capstone project, *An Implementation Plan for Nurse Sabbatical to Prevent Burnout Syndrome in Acute and Critical Care Nurses*, graduated December 2016.
- Jackie Brock, Doctor of Nursing practice capstone project, *Revision of International Council of Nurses Guidelines, Nursing and Development, and Career Development in Nursing*, graduated May 2016.
- Barbara Coughlin, Doctor of Nursing practice capstone project, *Revision of International Council of Nurses Guidelines, Elimination of Substance Abuse in Young People and Occupational Health and Safety for Nurses*, graduated May 2016.

- Mashekia (Mo) Jones, Doctor of Nursing practice capstone project, *Revision of International Council of Nurses Guidelines, Nurses and Primary Health Care and Health Human Resources Development (HHRD)*, graduated May 2016.
- Bree Brown, Doctor of Nursing practice capstone project, *Revision of International Council of Nurses Guidelines, Nurses Role in the Prevention of Cancer and Nurses and Shift Work* – graduated May 2015
- Hadji Doria, Doctor of Nursing practice capstone project, *Revision of International Council of Nurses Guidelines, Abuse and Violence Against Nursing Personnel and Nurse Retention and Migration* – graduated May 2015
- Bill Fontanilla, Doctor of Nursing practice capstone project, *Effectiveness of Remifentanyl and Propofol Infusion for Procedural Sedation in Patient Undergoing Gastrointestinal Endoscopic Procedures: A Systematic Review* – graduated May 2015
- Sharon Gunn, Doctor of Nursing practice capstone project, *Facilitators and Barriers to Vaccine Uptake in Community Dwelling Elders* – graduated May 2015
- Donna Hamby, Doctor of Nursing practice capstone project, *The Clinical Effectiveness of a Nurse Practitioner versus a Non-nurse Practitioner Provider on Hospital Admissions of Older Adults Residing in Skilled or Long-Term Care Nursing Facilities: A Systematic Review* – graduated May 2015
- Erin Kiser, *Revision of International Council of Nurses Guidelines, Universal Access to Clean Water and Health Services for Migrants, Refugees, and Displaced Persons* – graduated May 2015
- Julia Roberts, Doctor of Nursing practice capstone project, *Revision of International Council of Nurses Guidelines, Nurse Industry Relations Ethical Nurse Recruitment* – graduated May 2015
- Robert Stramski, *Removing Barriers to Full Prescriptive Authority for Nursing Practitioners in Oklahoma: A Policy Issue* – graduated May 2015
- Crissy Welch, Doctor of Nursing practice capstone project, *The Clinical Effectiveness of Intravaginal Vitamin C versus Placebo for the Treatment of Bacterial Vaginosis: A Systematic Review and Meta-Analysis* – graduated May 2015
- Thomas Flores, Doctor of Nursing practice capstone project. *Implementation of guidelines for the use of dexmedetomidine in elective cardiac patients to help reduce intubation times post cardiac surgery* – graduated May 2014
- Linda Humphries, Doctor of Nursing Practice capstone project. *Pain Management for the Adult with Sickle Cell Disease in the Acute Care Setting* – graduated May 2014.
- Donna Rich, Doctor of Nursing Practice capstone project. *International Council of Nursing Practice Statement Evidence-based Updates: Antimicrobial Resistance and Promoting the Value and Cost Effectiveness of Nursing and Promoting the Value and Cost Effectiveness of Nursing.* – graduated May 2014.
- Susan Smith, Doctor of Nursing Practice capstone project. *International Council of Nursing Practice Statement Evidence-based Updates: Nursing Research and Nurses' Participation in Health Services Decision-making and Health Policy* - graduated May 2014.
- Nicole Ogunleye, Doctor of Nursing Practice capstone project. *Topical Pharyngeal Anesthesia in Upper Gastrointestinal Endoscopy* – graduated December 2013
- Dian Adams, Doctor of Nursing Practice capstone project, *Utilizing enculturation and onboarding to address Chief Nursing Officer turnover* - graduated May 2013

- Advisor, Melinda Miller, Doctor of Nursing Practice capstone project, *Development of a clinical practice guideline to avoid airway injury while using the glidescope video laryngoscope for intubation* - graduated May 2013
- Cassie Wright, Doctor of Nursing Practice capstone project, *The Effectiveness of Intradermal Jet Injection of Lidocaine for Pain Control in Intravenous Catheterization: A Systematic Review* - graduated May 2013
- Tim Gollaher, Doctor of Nursing Practice capstone project, *A Comprehensive Systematic Review of Non-anesthesia Trained Registered Nurses Administering Propofol for Sedation in Various Procedures and Settings* – graduated May 2012
- Luan Nguyen-Tran, Doctor of Nursing Practice capstone project, *The Leap Frog's Tai Chi Fall Prevention Program (LFTC)* - graduated May 2012
- Mike Sadler, Doctor of Nursing Practice capstone project, *Implementation and Evaluation of the ICES Tool in the Nurse Anesthesia Academic Setting* - graduated May 2012
- Dawn Welliver, Doctor of Nursing Practice capstone project, *An Evidence-based Guideline for Herbal Supplement Use by Patients Presenting for Anesthesia Services* - graduated May 2012
- Sue Holland, Doctor of Nursing Practice capstone project, *Improving the Anesthesia Consent Process* - graduated December 2011
- Brian Broussard, Doctor of Nursing Practice capstone project, *An Evidence-based Guideline for Selective Utilization of the Laryngeal Mask Airway*— graduated Summer 2011
- Lynnette Howington, Doctor of Nursing Practice capstone project, *Genetics Education in the Undergraduate Curriculum* — graduated Summer 2011
- June Marshall, Doctor of Nursing Practice capstone project, *Development and Implementation of an Algorithm for Managing Nurses' Stress Related to Critical Workplace Incidents* – anticipated graduation Spring 2011
- April Merrill, Doctor of Nursing Practice capstone project, *Effectiveness of Tight Glycemic Control in the Medical Intensive Care Unit: A Systematic Review* – anticipated graduation Spring 2011
- Lois O'Quin, Doctor of Nursing Practice capstone project, *Development & Pilot of Program Outcomes for a School-based Pregnancy and Parenting Intervention Program for Dallas Independent School District (DISD)* – anticipated graduation Spring 2011
- Teresa Crosby, Doctor of Nursing Practice capstone project, *Opportunities in Academia for DNP-prepared Nurses* – graduated Spring 2010
- Tim Jones, Doctor of Nursing Practice capstone project, *Radiological Safety in Interventional Pain Management* – graduated Spring 2010
- Pat Kelly, Doctor of Nursing Practice capstone project, *Colorectal Cancer and Family History Assessment in the Gastroenterology Unit: Current Practices and Staff Knowledge and Attitudes* - graduated Spring 2010
- Kenneth Lowrance, Doctor of Nursing Practice capstone project, *Diabetes Care Intervention by Nurse Practitioners in a Rural Setting* - graduated Spring 2010
- Emma Murray, Doctor of Nursing Practice capstone project, *Integrating the American Heart and the American Stroke Associations' Evidence-Based Stroke Guidelines into an Existing Medical Response Team* - graduated Spring 2010

- Robin Christian, Doctor of Nursing Practice capstone project, *A Systematic Review of Nurse Practitioners in the Nursing Home Setting* – graduated Spring 2009)
- Jennifer Jones, Doctor of Nursing Practice capstone project, *Influenza: We Can Do Better. A Tangible, Straight-forward, Evidence-based and Industry Specific Plan of Action* - graduated Spring 2009
- Hylda Nugent, Doctor of Nursing Practice capstone project, *A Guideline for Managing Local Anesthesia Toxicity* - graduated Spring 2009)
- Kay Sanders, Doctor of Nursing Practice capstone project, *Development of a Post-Baccalaureate Nurse Anesthesia Doctor of Nursing Practice Program* - graduated Spring 2009
- Israel Vega, Doctor of Nursing Practice capstone project, *Metabolic Syndrome Screening Guidelines* - graduated Spring 2009
- Susan Weeks, Doctor of Nursing Practice capstone project, *Development of a Nurse Executive Doctor of Nursing Practice Curriculum* - graduated Spring 2009

*Dissertation Committee Member (External)*

- Jonathan (Dru) Riddle, Doctor of Philosophy (PhD), Nursing, *Clinical Utility of Pharmacogenomic Testing to Support Prescriptive Decision Making Among Anesthesia Providers: A Mixed Method Approach*. Medical University of South Carolina (MUSC) – graduated January 2015.

*Doctoral Student Project Committee Member (TCU)*

- Theadoshia Hines, Doctor of Nursing practice capstone project, *Development of an Educational Evidence-Based Algorithm to Prevent Pressure Injuries in Mechanically-Ventilated, Adult, Intensive Care Patients*; anticipated graduation date May 2017.
- Tammy Eades, Doctor of Nursing Practice capstone project, *Improving Student Satisfaction by Increasing Faculty Participation in Online Courses*, anticipated graduation May 2016.
- Sandra Gardner, Doctor of Nursing Practice capstone project, *Impact of Staff Education about Potential Eye Injury and Methods to Decrease Exposure on Increased Use of Protective Devices During Procedures Using Ionizing Radiation*, anticipated graduation May 2016.
- Reyna Dayaday, Doctor of Nursing Practice capstone project, *Development of an Evidence-based Hepatic Encephalopathy Algorithm* – graduated May 2014
- Laura Garza-Gongora, Doctor of Nursing Practice capstone project, *The Effect of Vitamin D Supplementation on Glycemic Control and Body Mass Index in the Obese, Vitamin D Deficient Adult with Type 2 Diabetes Mellitus: A Systematic Review* – graduated May 2013
- Sharon Dingman, Doctor of Nursing Practice capstone project, *Enhancement of The Caring Model™* – graduated May 2012
- Lori Hillis, Doctor of Nursing Practice capstone project, *Developing a Method to Track the Contributions of the DNP* – graduated May 2012
- Asha White, Doctor of Nursing Practice capstone project, *Outpatient Interventions for Hepatology Patients with Fluid Retention* - graduated May 2012
- Kirk Evans, Doctor of Nursing Practice capstone project, *Surgical Fire Prevention* — graduated Summer 2011

- Sally Carmen, Doctor of Nursing Practice capstone project, *Process Evaluation of a Transformational Nursing Leadership Development Program* — graduated Spring 2011
- Deborah Chasco, Doctor of Nursing Practice capstone project, *Development and Implementation of a Medical-Nursing Legal Partnership Program in a Neonatal Intensive Care Setting* — graduated Spring 2011
- Joan Clark, Doctor of Nursing Practice capstone project, *Nursing Work Environment and Care Delivery Design* — graduated Spring 2011
- Ellen Schimmels Fielden, Doctor of Nursing Practice capstone project, *Management of Adjustment Disorder in the Deployed Setting* — graduated Spring 2011
- Martha Kingman, Doctor of Nursing Practice capstone project, *Guideline for Administering Intravenous Prostacyclins to Pulmonary Hypertension Patients in the Hospital Setting* — graduated Spring 2011
- Martha Thomas, Doctor of Nursing Practice capstone project, *Evaluating the Effectiveness of the Personalized Barcode Identification Card to Verify High-risk, High-alert Medications* — graduated Spring 2011
- Pat Wilson, Doctor of Nursing Practice capstone project, *Spiritual Assessment in a Faith-Based Mental Health Clinic* – graduated Spring 2010
- Mary Garnica, Doctor of Nursing Practice capstone project, *Use of Information Technology to Move Advanced Practice Nurses towards Evidence-based Practice* - graduated Spring 2009
- Juan Quintana, Doctor of Nursing Practice capstone project, *An Examination of Cost Effectiveness of Nurse Anesthesia Programs* - graduated Spring 2009
- Tanya Schlemmer, Doctor of Nursing Practice capstone project, *Implementation of an Evidence-based Anticoagulation Education Program* - graduated Spring 2009
- Jim Walker, Doctor of Nursing Practice capstone project, *Combating Situational Fatigue in Anesthesia Practice* - graduated Spring 2009
- Mark Welliver, Doctor of Nursing Practice capstone project, *Evidence-Based Improvement of Neuromuscular Blockade Reversal* – graduated Spring 2009

Masters Project Students Directed (TCU)

- Lindsey Patton, Masters Clinical Nurse Specialist student. Final project. *Development of an Evidence-Based Guideline to Reduce Emotional Distress for Nursing Staff by the Clinical Nurse Specialist* – graduated May 2014.
- Kay Fedyzen, Masters Clinical Nurse Specialist student. Final project. *A Day and Night Shift Delirium Protocol for Cardiac Surgery Patients in the Intensive Care Unit* – graduated December 2013.
- Eugenia Welch, Masters Clinical Nurse Specialist student. Final project: *On the Other Side of the Closed Doors: Meeting the Needs of Family Members with Loved Ones in the Intensive Care Unit* – graduated Fall 2008.

Masters Projects Committee Member (TCU)

- Nicholas Sherrod, Master of Science in Nursing Nurse Educator Student. *The Decline of Pediatric Vaccination Rates and the Role of Parental Refusal* – graduated May 2015.
- Stephanie Schneider, Master of Science in Nursing Clinical Nurse Specialist student. *Use of Clinical Nurse Specialists in Outpatient Pulmonary Hypertension Clinics* –

graduated May 2014.

Michelle Hall, Master of Science in Nursing Clinical Nurse Specialist student. Final project, *Group Home Visits* - graduated December 2011.

Denise Blair, Masters Clinical Nurse Specialist student. Committee member: *A Nurse Mandated Insulin Infusion in the Cardiovascular Surgical Patient* – graduated Spring 2008.

Masters Projects Committee Member (External)

Ella Gagolkina, Cardiopulmonary adverse events during procedural sedation in patients with obstructive sleep apnoea: A systematic review and meta-analysis. The University of Adelaide, South Australia –graduated December 2016.

Danielle MacDonald – *The experiences of midwives and nurses collaborating to provide nursing care: A systematic review of qualitative evidence*. Dalhousie University, Halifax, Nova Scotia, Canada– graduated May 2015.

Lynda Staruchowicz – *Effectiveness of Follow-up Care Provided by Stomal Therapy Nurses for Quality of Life among Adolescents and Adults: A Systematic Review*. The University of Adelaide, South Australia – graduated December 2014.

Undergraduate Honors Projects Directed (TCU)

Morgan DeCuir (anticipated gradation December 2016) – Quality of Life Experiences in Family and Significant Others of Survivors of Head and Neck Cancer

Jennifer Zemplinski (2009) – *Hispanic Perceptions of Organ Donation*. Highest score, Harris College of Nursing and Health Sciences Research Symposium Poster Contest, April 2009. Harris College of Nursing and Health Sciences submission for the 2009 TCU Journal of Undergraduate Research and Creativity.

While at UTA:

Dissertations

Doctoral Students Committee Member (University of Texas at Arlington)

Maxine Adegbola (Dissertation committee member – graduated Fall 2007; first UTA graduate from PhD in Nursing program)

Gloria Carr (Independent study x 6 hours; Doctoral Advisory committee – Fall/Spring 2005/06)

Glenda Daniels (Dissertation committee – graduated Spring 2009; recruited to Harris College of Nursing & Health Sciences)

Valerie Hart (Dissertation committee, Urban & Public Affairs – graduated Summer 2006; recruited to Harris College of Nursing & Health Sciences)

Theses

Masters Thesis Students Directed (University of Texas at Arlington)

Mark Kurland (Committee Chair) - Graduated August 2004

Masters Thesis Students Committee Member (University of Texas at Arlington)

Melody Alleman (Committee Member) – Graduated August 2004

Non-theses

Administration Practicum Project Directed (non-thesis) (University of Texas at Arlington)  
Jennifer Stephen (2004-2005)

Masters Completion Projects Directed (non-thesis) (University of Texas at Arlington)  
(2003-2007)
