

Research Committee

Purpose: To disseminate information about student and faculty scholarship to HCNHS departments and at the university-level and support student and faculty scholarship across HCNHS departments.

Duties: Work with the Associate Dean of Research to

- Develop college strategic plan initiatives specific to scholarship for students and faculty
- Gather student, faculty, and staff feedback to evaluate and modify, as needed, HCNHS scholarship and events.
- Plan and support student and faculty research events such as the 3MT, Faculty Research Symposium, HCNHS Student Research Symposium, and Boller competition.
- Provide feedback and support for integrating university research policies and procedures into college research policies and procedures as well as reviewing ongoing college research policies for updates annually, e.g., travel and research grants.

Membership: The members will include one faculty member who is actively engaged in research from each Harris College department (COSD, KINE, NURS, NRNA, SOWO) who has at least three years of service at TCU. The Associate Dean of Research will serve as the committee chair. Each departmental member will be appointed by the chair of that department.

Service Criteria and Terms: The committee will meet monthly, or as needed, during the academic year. Three-year term minimum with an option to renew for another three-year term.
